25TH February 2010

**CALLING ALL PRINCIPALS AND STAFF TO THE
WEST CORK EDUCATION CENTRE AGM
ON
WEDNESDAY MARCH 10TH 2010**

Dear Principal and Staff,

**The Annual General Meeting of West Cork Education Centre will be held on
Wednesday March 10th in the Education Centre at 7pm.**

The AGM provides an overview of the various activities of the Centre for 2009. While all schools are notified regularly of national, regional and local initiatives and programmes, the AGM will offer you a collective summary of the year past. We would strongly encourage you to attend the AGM and to take this opportunity to share suggestions and ideas for the Continuous Professional Development of the educational community in West Cork and elsewhere.

We welcome nominations at the AGM for our Management Committee. However, please be advised that while attending the AGM, there is no expectation on any persons present to become a member of the Management Committee. The Management Committee oversee the running of the Centre. Meetings usually take place once per month. Members have an opportunity to provide an input into the running of the centre and play an important part in the development of the educational community.

Irish education is experiencing great change over the last number of years and in particular in recent times due to our economic situation. West Cork Education Centre endeavours to support schools through the many cycles of change which has faced education over the past years. We would encourage you to come to the AGM and to share your ideas for supporting the Educational Community moving into a new decade in Irish Education.

I look forward to meeting you on March 10th.

Regards,
Mary O'Donovan
Director
