Title: New Resources for Biology Teachers

Date: Thursday 20th May 2010.

Venue: West Cork Education Centre.

Time: 7.00pm – 9.30pm

Target Group: Biology Teachers

Presenter: Local Facilitators have been working hard all year and want to share their new resources with you. A new DVD will be distributed at the Road Shows.

Come along to a Road Show to experience some of these new resources

- * Put some fun into Biology
- * Use more active learning with students
- * Teach your students how to answer exam questions more accurately
- * Share the Know-IT-All file with your students - they take the responsibility for learning
- * Use worksheets to teach topics common to LC Biology and LC Chemistry
- * Improve Learning Skills
- * Teaching strategy using dynamic posters
- * Learn how to make models and to use simulation
- * Use ICT and 'teacher tips' to enhance completion of Mandatory Activities
- * Acmhainní nua as Gaeilge
- * And more!!

How to apply for your place...
